The Little Thrift Shop retains the right to discard items after being received which in its opinion are not acceptable. It is to your advantage to inspect items carefully before bringing them in. Items have to be clean and pressed, in current fashion, not faded, spotted, torn or chipped. A good measure of acceptability is whether the item is something you would want to buy.

Due to limited space in the shop we must limit the number of items received at one time, such as 3 Ladies' Sweaters, 3 Men's Shirts. Due to certain regulations and poor market demand, some items may not be accepted. *Please see the other side.*

The Little Thrift Shop extends a warm welcome to all new consignors.
Please be aware that all profits from sales are given to charitable organizations.
Thank you for helping us do God's work.
